The GAVEL

A report from your President

Can you believe January flew by so fast? What an incredible kick-off to 2026 it's been for our club! It feels like we're really hitting our stride, and the energy around here is just fantastic.

Speaking of energy, remember our "Lunch and Learn" with Advent Hospital? Wow! You all turned out in such huge numbers that we practically needed to set up extra seating! And how great was that Chick-fil-A spread? A big shout-out to Advent for making it such a delicious and informative afternoon. Our regular monthly luncheon was no different – another packed house, buzzing with conversation, good food, and even more new faces! It's truly inspiring to see so many of you bringing along friends and neighbors. We welcomed six new guests, and many of them are already eager to join our ranks, which is just awesome. Let's keep that momentum going! Please, keep inviting folks to come see what we're all about. The more, the merrier, and together we can really grow our incredible community!

We even got a chance to share our story with the wider community! I had a blast chatting with Vern Hendricks on 96.3, our local Sun City Center radio station. We talked all about the Men's Club and everything we've been up to. Huge thanks to Vern for giving us such a great platform – it was so cool to spread the word!

And on a quick look back, our 2025 wrapped up on a really strong financial note. This means even more good things for our community in the months ahead. A heartfelt thank you to everyone who pitched in and participated in all our events last year – you're the reason we ended on such a high!

Now, for something new and super important! We've just snagged 500 brand-new, super-bright reflective safety vests. The Men's Club and our Security Patrol will be handing these out to help keep everyone in our community a little safer. We'll have some at our very next luncheon, so please grab one for yourself, and maybe even an extra for a neighbor! They're especially handy for when you're cruising around in your golf cart, making sure you're seen clearly by everyone.

Before we look too far ahead, I absolutely have to shine a spotlight on two incredible guys on our Board. First, a gigantic thank you to Bill Cox. He's been our Secretary for *ages*, faithfully taking notes at every single meeting and making sure all our activities are perfectly documented. His dedication is truly something else! And then there's Dan Osborne, our Treasurer, who does an absolutely stellar job keeping our finances in tip-top shape. He manages all our profit and loss statements with such care, it's mind-boggling! Both Bill and Dan deserve a massive round of applause and our sincerest gratitude for their unwavering commitment to our Club. They're real pillars of our community!

Alright, shifting gears to some fun! Don't forget, our Hockey game outing is coming up fast on February 3rd. If you haven't locked in your tickets yet, you definitely want to get in touch with Jim Rottman ASAP to snag the best seats! You can find Jim at the Men's Club office, or just give him a ring at 813-633-7091. We're talking delicious food, refreshments, and a guaranteed awesome time together cheering on the team!

Seriously, thank you all so much for your incredible support and dedication to the Men's Club. Every single one of you plays a part in making such a meaningful and positive impact in our wonderful community.

Your friend and President,

Elliott Bart

Squad

The SCC Men's Club made donations to two very important organizations in the Sun City Center community at the first membership meeting of the year. The Sun City Center Security Patrol and the Sun City Center Emergency Squad received donations to help in the important missions they have in providing services to the residents of Sun City Center and Kings Point. The SCC Men's Club is one of the leading service organizations in the Sun City Center community. The club's major service commitment being the Lifeline Emergency Response System, while other commitments include health related support groups and educational forums related to senior citizen health needs.

PRESENTATION ON SEX TRAFFICKING *and* FORCED LABOR

Elliott Bart and Brian Hammer following Brian's presentation at January's luncheon on the criminal activity of sex trafficking and forced labor. Brian did a fantastic job of presenting this important topic with very little notice upon learning that our previously scheduled speaker was unable to attend. Thank you Brian!
