## January Guest Speaker

**Stephen Shiveley**

Stephen Shiveley is employed by the National Weather Service, and he will be sharing a presentation on what the National Weather Service is and what services they provide. He will also cover some basic weather knowledge including how sea breeze thunderstorms form during the summer, hurricane formation, and a few other weather tidbits! Hopefully he will bring good weather that day.

## December Ladies Luncheon

The annual Ladies Luncheon was a huge success. The band AmericanAcoustiC kept everyone entertained during lunch with a nice selection of seasonal music and the food was excellent.

## SCC Travelworld Presentation

The Sun City Center Travel Club made a \$8,500 donation to the Mens Club at the December luncheon. The funds are to be shared between the Men's Club, the Emergency Squad, and the Security Patrol.

**The GAVEL**  
A report from your  
President

My Fellow members,

I can't tell you how exciting the last year has been for the Men's Club. We have accomplished spectacular things that benefit not only our organization but also our community as a whole.

Throughout the year, we've provided financial contributions to those in need, offered safety vests for evening walks, and supplied refrigeration units for our EMS squad during extreme weather events. Our Lifeline services have also saved lives and helped many residents in so many ways.

I'd like to take a moment to thank one of our fellow Board Members and personal friend and mentor Jim Rottman, with his incredible achievements over the last 12 years. His dedication and support have truly been above and beyond. His direction has inspired me and the entire club. Jim, through his efforts has contributed Tens of Thousands of dollars to our organization. Our hats are off to you Jim. Along with all you provided to our community over the years. Thank you Sir.

All of our other Board Members have participated with the same level of enthusiasm, and we look forward to highlighting other remarkable achievements of our Board members in the year 2026 Chronicle.

We look forward to a phenomenal and record-breaking year in 2026, with new accomplishments and directives that will propel our Men's Club to new heights.

In closing, I would like to thank every Member, every Board Member, and their Wives for all that they have done for the Men's Club and our community. Should you have ideas or suggestions that may benefit our community in the year 2026, please let us know.

Wishing all, the best for the year 2026.

Elliott W. Bart us  
President, Men's Club of Sun City Center
