The GAVEL
A report from your
President

**Attention Members of the
Men's Club of Sun City Center!**

This month, we're shaking things up and moving away from our recent medical topics. I am thrilled to announce that Dan Madden, an esteemed Author and Speaker on the American Revolution, will be joining us to present "A Bobsled Ride into the American Revolution: From Bunker Hill to Yorktown." Dan is sure to enlighten us with fascinating insights and stories that you won't want to miss!

We'd also like to extend our heartfelt thanks to the administrators of Sun Towers and Sun Terrace Rehabilitation for their excellent presentation last month. It was truly a pleasure to have Haley Bauguss and Krista Lowe inform us about the opportunities and advantages of their retirement facilities.

"I want to thank all the men of the Men's Club that participated in the Meals on Wheels program for the month of July. We of the Men's Club truly appreciate the exceptional effort you all have given, and I

know that the community is as appreciative as I am.

In addition, I'd like to update you on our progress for the upcoming Men's Club Health Fair scheduled for October 23rd, and the Men's Golf Club outing at the Renaissance Country Club on November 22nd. We have been making excellent headway, receiving numerous requests for sponsorship of both events and from participants wishing to take part in the tournament.

Volunteers offering assistance with these events are vital to making them a success. Please contact me or Vincent if you are interested in helping. With all that we have planned, it's going to be a wonderful Fall this year for the Men's Club, especially with these two events.

In conclusion, I'd like to thank you all for your continued participation and membership. Please reach out to your friends, neighbors, and fellow club members from other organizations to join us. We welcome new members!

We look forward to seeing you at the August 20th luncheon.

Wishing you all the best,
Elliott Bart,
President
Men's Club of Sun City Center.
