

WHAT IS THE MEN'S CLUB?

The Men's Club membership is comprised of men residing in the Greater Sun City Center area. In the early years the club was a social organization, with monthly meetings for fellowship, meeting and greeting other members and enjoying a variety of speakers and entertainment. The Men's Club continues with these premises but in 1990 a key objective was added to the club's charter: "Service to the Greater Sun City Center Community."

We meet at in the Community Hall at 11:30 a.m. on the third Wednesday of every month for a great luncheon, informative speaker and fellowship with your friends and neighbors.

In addition to our regular monthly meetings, the Men's Club offers:

- Outings to places and events of interest
- Annual Fundraising Cruises
- Events to honor our spouses and partners
- Service programs to aid the community
- Lifeline: a personal emergency response system

provided by the Men's Club on a nonprofit basis.

- Biennial Health Care Expo, Seminars and care-specific support groups.
- Annual consumer protection events.
